

The Career Move Mastermind Group

Making a career move can be a lonely undertaking with lots of unknowns, unfamiliar processes and potentially vulnerable moments.

Make it Happen: the Career Move Mastermind Group is here to provide you with guidance and support every step of the way: from creating a winning CV, through how to leverage relationships with recruiters, how to tap into your networks, shine at interview and be successful in your new role.

Who is it for?

The group is for experienced professionals who are actively looking to change jobs and who know what sort of job they are looking for.

What is it?

The group is run by Alison Hughes of Dynami Careers. Offering a high level of support, **Mastermind members benefit from:**

- ✓ Fortnightly group coaching calls: on joining the Group, you will be allocated into a cohort of 4 – 6 experienced professionals with whom you will share fortnightly coaching calls;
- ✓ Regular training sessions on all aspects of your career move journey;
- ✓ Other resources eg videos, templates and worksheets to help you on your way;
- ✓ Membership of the “Make it Happen” community via a Private LinkedIn Group where members can share experiences, support each other and ask questions.

What does it cost?

The Mastermind Group is run on a subscription model. At the moment you can buy it for a **Founder Member** price of £150 per month. This is a focused investment whilst you are making your career move and you are free to cancel at any time.

If you are interested in joining or would like to find out more, please email alison@dynami-careers.com or call me directly on +44 (0) 7798 920 517.

Hi. I'm Alison Hughes of Dynami Careers and I specialise in helping people create a career they love. I work with people to get clear on what they want from their career and then support them to make it happen.

My background in executive recruitment and HR combined with my professional accreditation in coaching (PCC ICF) make me uniquely placed to support career transitions from an emotional, motivational and practical perspective.
